

WHY BBYO?

BBYO is proud to be the **largest pluralistic Jewish movement**, operating in over 50 countries and reaching 80,000 teens worldwide. After attending Israel Tour, teens will be welcomed into an exciting peer-led movement with a lifelong opportunity to continue their involvement and make an impact in their community, travel internationally, and make memories to last a lifetime.

"This tour was the most amazing three-week experience. We travelled all around Israel, learning new cultures and establishing friendships that will last a lifetime. We made memories that will never be forgotten!"

—Nathan Morris

Our tour reflects the true diversity of Jewish life with participants from all denominational affiliations.

"BBYO Israel tour was a truly incredible experience for me. Whilst making so many amazing friends I got to deepen my understanding of my own Jewish identity and learn more about the different cultures in Israel. I saw so many new eye-opening things and I would give anything to be able to do it again."

EXPLORE ISRAEL YOUR WAY

Choose from three tracks and make your Israel Tour experience unique.

We offer three elective tracks for a segment of the trip. For three nights you'll explore Israel on your own terms. During the electives, you'll be joined by teens from tour groups from around the world.

SEA-TO-SEA HIKE

Hike from the Mediterranean Sea to the Sea of Galilee as you cross through the lush canyons and mountaintops of the Galilee and camp out under the stars along the way. Learn how to navigate and survive in the wilderness like our ancestors did, explore Israel's unique eco-systems, visit picturesque villages, and connect to the beauty of the land in a way few ever do.

VOLUNTEER ISRAEL

Participate in a series of unique service projects and depart Israel with a new sense of purpose and connection to Israeli society. Based on a university campus in Israel's Galilee region, you'll engage in a process of learning, volunteering, and reflection. Projects will vary throughout the elective period and may include work with immigrant youth, Israel's minority communities, environmental restoration, and infrastructure improvement.

THE IDF'S GADNA

Organised by the Israel Defence Forces and located on a specialised army educational base, Gadna is a "basic training"-style experience for secondary school teens from abroad. Since every Israeli teen is required to serve in the Israeli army, Gadna offers you a glimpse of this uniquely Israeli experience. The programme is about learning new skills, hiking in the outdoors, and simulating what life is like on an Israeli army base. You'll emerge from this challenging experience with a distinct sense of accomplishment.
