

# Jasmin Jones for National President

## About Me :)

Hello everyone, I'm Jasmin, a proud BBG hailing from Deganya #5049, running to be your next National President. BBYO UKI has provided me with the best times of my life, all stemming from a conversation at the lunch table. Because of this, I am passionate in building our movement, so that many other Jewish teens find themselves having these amazing experiences in which they feel welcome, and have the ability to explore their Jewish identity- all whilst making their best friends along the way. Having been to invaluable experiences such as numerous camps, AZA and BBG International Convention 2022, as well as serving on the Deganya Executive Board, it is safe to say that I find home in this movement, and want nothing more than to see it continue to thrive, and spread to many, many more Jewish teens.

## Some of my Visions for BBYO United Kingdom and Ireland

### Global Involvement:

- work to provide members with opportunities to reach out to global BBYO communities, in terms of ensuring International Convention and Summer Experiences are well advertised and encouraged
- Highlight the existence of international BBYO communities to members, as many are unaware of the international community that BBYO UKI is a part of
- Work together with the International Board to build the skills of the National Executive, benefitting the efficiency and efficacy of our board and region

### AZA, BBG and BBYO:

- Termly separates programs in chapters, creating AZA, BBG and BBYO identities
- Develop the BBYO section of the movement further, ensuring the option to experience BBYO amongst separates within chapters and camp experiences
- Ensure all members are referred to as 'sibling' (alongside BBG or AZA should they identify as one of these) at business meetings and elections

### Chapter developments:

- Focus on recruitment with the Vice President to grow smaller chapters
- Work towards all chapters being run by a teen executive board
- Interactions and programs between national and international chapters

### Nation-wide developments:

- Build on nation-wide attendance at national events such as camps
- Introduce more music-based options for services at camps and extend the set-list for Havdallah
- Provide tracks on camps for lower and higher age groups to ensure everyone feels comfortable, and is able to have the best experience possible

I am highly organised and a driven person with great passion for BBYO UKI, hoping to serve the movement to the best of my ability over this next year :)

A close-up portrait of Sherlock Holmes, played by Benedict Cumberbatch, with his characteristic curly hair and intense gaze. He is wearing a dark suit jacket over a white shirt and a dark tie. The background is softly blurred, showing light coming through a window with white curtains.

**To a great mind, nothing is little.**

**So Jasmin will be a great National  
President!**

# Vote Jasmin for...

...And some explosive things will happen in UKI

A portrait of actor Simu Liu, looking directly at the camera with a neutral expression. He is wearing a dark red, button-down shirt. The background is a blurred crowd of people, suggesting a public event or red carpet. Overlaid on the image is white text with a black outline.

**Just do what Simu Says. Ask them!**

**(If they're voting for Jasmin for  
National President)**

**Why'd you only call me when**

**Jasmin's elected as national  
president?**
